Subject: - Regarding organizing an Interactive Session with students of first year.

Sir

We feel ecstatic to introduce our self as Team Innogeeks. We aim to promote the technical culture in our society. As you are already aware of our goals and objectives so in order to reach out to more and more students we wants to organize an Interactive Session with the 1st year students as we didn't get a chance to came as a team during orientation. Since we are being acknowledge as a team of KIET Group of Institution, so want to organize this session as soon as possible. The proposed date from our end is 24 September 2018.

Kindly, accept our request and look into the matter as soon as possible.

Thank You

Yours Truly
